

**New
Family Arts & Crafts (FAC)
ASSISTANT DIRECTOR**

The Ohio State Fair has a new face in Family Arts & Crafts.

Her name is Delilah Hetterscheidt. Delilah brings much experience to the position and has been involved with the Fair for many years.

Delilah has been actively working with the current director, Janet Peoples, since December of 2007 to bring you new and exciting events, competitions, and demonstrations.

One of Delilah's goals this year is to schedule demonstrations that will introduce new competitions for the 2009 Fair. She is also working on adding more activities and competitions for the entire family, all ages.

Please plan to stop in and meet Delilah; she eagerly looks forward to meeting each and every participant. And since we value your input, feel free to share any suggestions you may have for the Family Arts & Crafts area (i.e. competitions, demonstrations, and activities you would like to see; traditions, jazzing things up, etc.).

Also, if you are interested in a seasonal position with FAC during this year's Fair, send Delilah an email at d.hetterscheidt@expo.state.oh.us, or click here to complete an application:
