

# WHEELCHAIR ATHLETES ROLL FOR THE PRIZE AT THE OHIO STATE FAIR

Central-Ohio athletes will demonstrate their abilities at the Ohio State Fair Showplace Pavilion on Sun., Aug. 12, 1pm-5pm.

You may hear an occasional “back away from the wheel-chair” as the athletes peel out and burn rubber. These athletes are equipped with something extra ...uniquely modified wheelchairs ... and they will show you a thing or two about using them!

Fairgoers can watch teams compete for bragging rights in basketball, soccer and rugby, as the local teams battle to win the official Ohio State Fair 1<sup>st</sup> Place Trophy. Bleachers will provide spectators a shaded convenient rest.

As with all sports, these games showcase the discipline, training, teamwork and determination of these competitors who use their WHEELS to compensate for their disabilities.

*“My sports activity is another manner of demonstrating that I don’t allow my wheelchair to define who I am!”*

- Heston Anderson
